### Ball Joint Removal & Installation Tool - for Ford Transit

8272

Designed to easily extract and refit the bolt-in style front lower ball joint found on the late model Ford Transit. The bolt-in Ford Transit ball joint is a very tight fit, even after the bolts have been removed, requiring tooling to pull out the old joint and fit the new one without damaging the joint or hub. Removes the need to use heat, hammer blows or the workshop press.

- Applications include:  
Transit Bus (from 2013), Transit Platform/Chassis (from 2014).
- Use to remove & fit OEM ball joints: 1451917 & KT6C113K209AA.

£229.95

### Ramp for Scissor Lifts

8672

A rubber ramp for scissor lifts, with a 80mm rise. Made from hard-wearing non-slip rubber, these are ideal for use in workshops to assist in driving the vehicle onto ramps and lifts etc.

- Size: 690 x 260 x (rising to) 80mm; weight 9.45kg.
- Weight capacity: 2.5 tonne. Supplied in singles.

£89.95
